LETTER OF COMMITMENT

To Whom It May Concern:

"We" (at CMC) are interested in becoming a 'Partner' with Mr. Joseph D. Reed ("The Producer"), (a.k.a. "Super Joe" Reed), d.b.a. SuperStunts International Productions, and his "Dare the Devil" (series of) "Live", pay-per-view, "Super Stunts/SuperBikers" motorcycle racing spectaculars, ('event').

His combination of daredevil specialty acts and 'SuperBikers' (paved/dirt course combo) motorcycle racing (being televised 'live'), is unique, in this modern day era. "We" have had experience in set-up/layout and arranging of "SuperBikers" style race courses and event production.

"We" understand that "The Producer" seeks a (minimum) \$1 Million General Liability insurance 'policy' for 'his' 'event'. "We" agree to supply said 'policy' for the 'event', in trade, for "the organizing" and "operation" of the racing activities 'portion' of the 'event'. Which would include: course/track layout & design, spectator safety elements, race scheduling, pit area design, start/finish line design, safety flaggers, scorers, and race coordinators.

("We" possess an 'active', annual General Liability insurance policy, with a \$1,000,000 limit.)
[See-Sample-attached.]

EACH OCCURRENCE

"We" understand and acknowledge, numerous businesses, property owners, companies/corporate entities, as well as City, County & State entities/municipalities will need to be added/named as additional insured, for the 'Event'.

"We" would (could) handle 'entries', organize practice sessions, qualifying heat races, and 'the finals', in all classes.

"We" will utilize every 'resource' available to 'us', on a 'best efforts' basis, to make the 'event' a success, in every regard.

If you have any questions, please feel free to contact me.

Sincerely,

Stu Peters
